

## Second Red Card Letter

Dear \_\_\_\_\_(Parents)

\_\_\_\_\_ (Name) has breached the following section(s) of the Group's behaviour policy and has been issued with a second red card.

Reason for second red card:

We would therefore request that he/she does not attend future meetings or any extra-curricular activities taking place until further notice.

The Group Lead Volunteer / District Lead Volunteer will be in touch to discuss the matter and try to resolve the reasons as to why this behaviour is recurring. However, if conditions set at this meeting are not adhered to or a third red card is issued during the following quarter then your child will be asked to leave the Group.
